

Mohammad Dzhabrailov

Ambition breeds motivation.

I am an **ambitious** and **motivated web developer** who has achieved significant success in the field of **IT** and **programming** since the beginning of 2023. Despite the lack of formal education in this area, my determination and ability to learn quickly allowed me to master everything necessary for **full stack developers** in the "**Kodehode**" course. I want to develop in this area and achieve my goals, all I need is to gain **experience** in **the best places** where I can **learn new technologies** and **develop further**.

Personal Qualities

I am driven by a **strong** desire for continuous growth and thrive in challenging environments. My key strengths include **adaptability**, **goal-oriented mindset**, and a **sense of responsibility**.

Be with the best

I am seeking an opportunity to contribute my **skills** and **enthusiasm** to a **dynamic web development team**. Despite my unconventional path, I am confident in my ability to make meaningful contributions to **innovative** and **modern web applications**.

Work Experience

Game Club, Playroom (Self-Employed), Groznyy, Russia

February 2014 - August 2019

I owned a chain of clubs where people could come and play console and computer games. People could also watch sports broadcasts and use the services of a coffee bar.

Game Store, Playroom (Self-Employed), Groznyy, Russia

March 2013 - May 2020

I was involved in sales of games and consoles. There were also services for renting consoles and games.

Advertising agency (Self-Employed), Groznyy

April 2015 - February 2016

I had an office where I had advertising services. I found clients and negotiated with them. Designed for banners and illuminated advertisements. I also provided advertising services in social media and made video advertisements. I collaborated with the large company Ooo Ra "Diamant".
